

Rank/Family	Latin Binomial	Common Name	Habitat
<b>LYCOPHYTES</b>			
<b>Selaginellaceae</b> - Spike-moss	<i>Selaginella wallacei</i>	club-moss	rocky slopes
<b>FERNS</b>			
<b>Athyriaceae</b> - Lady Fern	<i>Athyrium filix-femina</i>	lady fern	moist scrub; riparian; wetlands
<b>Azollaceae</b> - Water Fern	<i>Azolla filiculoides</i>	water fern	on slow-moving water
<b>Blechnaceae</b> - Deer Fern	<i>Struthiopteris spicant</i> <i>Woodwardia fimbriata</i>	deer fern chain fern	wet places; forest wet places
<b>Cystopteridaceae</b> - Fragile Fern	<i>Cystopteris fragilis</i>	fragile fern	riparian
<b>Dennstaedtiaceae</b> - Bracken	<i>Pteridium aquilinum</i> var. <i>pubescens</i>	bracken	scrub, forest, slopes
<b>Dryopteridaceae</b> - Wood Fern	<i>Dryopteris arguta</i> <i>Polystichum munitum</i>	wood fern sword fern	moist forest scrub; forest
<b>Equisetaceae</b> - Horsetail	<i>Equisetum hyemale</i> ssp. <i>affine</i> <i>Equisetum laevigatum</i> <i>Equisetum telmateia</i> ssp. <i>braunii</i>	common scouring-rush smooth scouring-rush giant horsetail	wetlands moist, shaded riverbanks, flats marsh (near east parking lot)
<b>Polypodiaceae</b> - Polypody	<i>Polypodium calirhiza</i> <i>Polypodium glycyrrhiza</i>	licorice fern licorice fern	slopes; shaded banks, trees shady, moist banks
<b>Pteridaceae</b> - Brake	<i>Adiantum aleuticum</i> <i>Adiantum jordanii</i> <i>Pellaea andromedifolia</i> <i>Pentagramma triangularis</i>	five-finger fern maidenhair fern coffee fern goldback fern	moist, shady stream banks moist, shady slopes rocky slopes mostly shaded, rocky slopes
<b>GYMNOSPERMS</b>			
<b>Cupressaceae</b> - Cypress	<i>Hesperocyparis macrocarpa</i> *	Monterey cypress	disturbed sites; roadsides
<b>1B.2</b>	<i>Hesperocyparis pygmaea</i> <i>Sequoia sempervirens</i>	Mendocino cypress coast redwood	closed cone pine forest forest
<b>Pinaceae</b> - Pine	<i>Abies grandis</i> <i>Picea sitchensis</i> <i>Pinus contorta</i> ssp. <i>bolanderi</i> <i>Pinus contorta</i> ssp. <i>contorta</i> <i>Pinus muricata</i> <i>Pinus radiata</i> * <i>Pseudotsuga menziesii</i> <i>Tsuga heterophylla</i>	grand fir Sitka spruce Bolander pine shore pine bishop pine Monterey pine Douglas-fir western hemlock	forest roadside (Hwy. 1 R/W) closed-cone pine forest closed-cone pine forest forest; headlands scrub, forest forest forest
<b>Taxaceae</b> - Yew	<i>Torreya californica</i>	California nutmeg	forest
<b>NYMPHAEALES</b>			
<b>Nymphaeaceae</b> - Waterlily	<i>Nuphar polysepala</i>	cow-lily	ponds; marshes
<b>MAGNOLIIDS</b>			
<b>Aristolochiaceae</b> - Birthwort	<i>Asarum caudatum</i>	wild ginger	riparian; wetlands

Lauraceae - Laurel	<i>Umbellularia californica</i>	California bay	forest; riparian
<b>EUDICOTS</b>			
Adoxaceae - Muskroot	<i>Sambucus racemosa</i> var. <i>racemosa</i>	red elderberry	scrub; riparian
Aizoaceae - Fig-marigold	<i>Carpobrotus chilensis*</i>	sea-fig; iceplant	back-beach
Anarcardiaceae - Sumac	<i>Toxicodendron diversilobum</i>	poison-oak	scrub; forest
Apiaceae (aka Umbelliferae) - Carrot/Parsley			
4.2	<i>Angelica hendersonii</i>	Henderson angelica	scrub; slopes
	<i>Angelica lucida</i>	sea-watch	salt marsh
	<i>Anthriscus caucalis*</i>	bur chervil	scrub; disturbed sites
	<i>Conioselinum pacificum</i>	Pacific hemlock-parsley	estuary marsh
	<i>Conium maculatum*</i>	poison hemlock	disturbed, moist sites
	<i>Daucus carota*</i>	Queen Anne's-lace	disturbed sites
	<i>Daucus pusillus</i>	rattlesnake weed	rocky open slopes
	<i>Foeniculum vulgare*</i>	fennel	disturbed sites
	<i>Heracleum maximum</i>	cow parsnip	scrub; moist sites
	<i>Ligusticum apiifolium</i>	celery-leaved lovage	openings in forest
	<i>Oenanthe sarmentosa</i>	water parsley	marshes
	<i>Osmorhiza berteroii</i>	sweet cicely	woodland; forest
	<i>Sanicula crassicaulis</i>	Pacific snakeroot	forest; woodland
	<i>Scandix pecten-veneris*</i>	Venus' needle	disturbed sites
	<i>Torilis arvensis*</i>	tall sock-destroyer	disturbed sites; forest
Apocynaceae - Dogbane			
	<i>Vinca major*</i>	periwinkle	riparian; disturbed sites
Aquifoliaceae - Holly			
	<i>Ilex aquifolium*</i>	English holly	shaded, moist sites
Araliaceae - Ginseng			
	<i>Aralia californica</i>	elk clover	riparian; seeps
	<i>Hedera helix*</i>	English ivy	riparian; forest
	<i>Hydrocotyle ranunculoides</i>	hydrocotyle	laguna
Asteraceae (aka Compositae) - Sunflower			
	<i>Achillea millefolium</i>	yarrow	grassland
	<i>Adenocaulon bicolor</i>	trail finder	shady forests
	<i>Agoseris grandiflora</i>	California dandelion	openings in forest
	<i>Ambrosia chamissonis</i>	beach bur	coastal strand
	<i>Anaphalis margaritacea</i>	pearly everlasting	scrub
	<i>Anisocarpus madioides</i>	woodland madia	forest slopes, banks
	<i>Arnica discoidea</i>	rayless arnica	pygmy forest
	<i>Artemisia douglasiana</i>	western mugwort	wetlands
	<i>Baccharis glutinosa</i>	marsh baccharis	marsh; springs; seeps
	<i>Baccharis pilularis</i>	coyote brush	scrub
	<i>Bellis perennis*</i>	lawn daisy	moist disturbed sites
	<i>Bidens cernua</i>	nodding bur-marigold	BR laguna
	<i>Bidens frondosa</i>	sticktight	moist disturbed sites
	<i>Carduus pycnocephalus*</i>	Italian thistle	disturbed sites
	<i>Centaurea melitensis*</i>	Napa starthistle; tocalote	disturbed sites
	<i>Cirsium arvense*</i>	Canada thistle	estuarine marsh
	<i>Cirsium brevistylum</i>	Indian thistle	disturbed sites; forest edges
	<i>Cirsium vulgare*</i>	bull thistle	disturbed sites; wetlands
	<i>Cotula coronopifolia*</i>	brass buttons	moist disturbed sites
	<i>Crepis capillaris*</i>	hawkbeard	disturbed sites; roadsides
	<i>Erigeron canadensis</i>	horseweed	disturbed sites
	<i>Erigeron sumatrensis (Erigeron floribundus)*</i>	tropical horseweed	<i>Erigeron floribunda</i> not in Jepson eFlora

	<i>Erigeron karvinskianus</i> *	Mexican daisy	disturbed sites
	<i>Erigeron foliosus</i> var. <i>mendocinus</i>	fleabane	rocky open slopes
	<i>Eriophyllum lanatum</i>	woolly sunflower	rocky open slopes
	<i>Euchiton gymnocephalus</i> *	cudweed	openings in forest; disturbed sites
	<i>Gamochaeta ustulata</i>	purple cudweed	disturbed sites
	<i>Glebionis segetum</i> *	corn chrysanthemum	disturbed soil (quarry area)
	<i>Grindelia stricta</i> var. <i>platyphylla</i>	gum plant	back beach
	<i>Grindelia stricta</i> var. <i>stricta</i>	gum plant	estuarine marsh
	<i>Helenium puberulum</i>	sneezeweed	moist forest openings
	<i>Heterotheca sessiliflora</i> ssp. <i>bolanderi</i>	goldenaster	back beach
	<i>Hieracium albiflorum</i>	white-flowered hawkweed	forest slopes
	<i>Hypochaeris glabra</i> *	smooth cat's-ear	back beach
	<i>Hypochaeris radicata</i> *	rough cat's-ear	disturbed sites; back beach
	<i>Jaumea carnosa</i>	jaumea	estuarine marsh
	<i>Lactuca saligna</i> *	wild lettuce	disturbed sites
	<i>Lactuca serriola</i> *	prickly lettuce	disturbed sites
	<i>Lactuca virosa</i> *	wild lettuce	disturbed sites
	<i>Lapsana communis</i> *	nipplewort	shady sites
	<i>Leontodon saxatilis</i> *	false dandelion	disturbed sites
	<i>Leucanthemum vulgare</i> *	ox-eye daisy	disturbed sites; forest; wetlands
	<i>Logfia gallica</i> *	daggerleaf cottonrose	disturbed sites
	<i>Madia exigua</i>	thread-stem madia	disturbed sites; open gravelly areas
	<i>Madia gracilis</i>	slender tarplant	disturbed sites; open gravelly areas
	<i>Madia sativa</i>	coast tarplant	disturbed sites
	<i>Matricaria discoidea</i> *	pineapple weed	disturbed, compacted soil
2B.2	<i>Packera bolanderi</i> var. <i>bolanderi</i>	Bolander butterweed	moist, rocky slopes
	<i>Petasites frigidus</i> var. <i>palmatus</i>	western colt's-foot	moist forest
	<i>Pseudognaphalium luteoalbum</i> *	cudweed	disturbed sites
	<i>Pseudognaphalium stramineum</i>	coast cudweed	back beach
	<i>Psilocarphus tenellus</i>	woolly marbles	compacted soil; trails, roads
	<i>Senecio glomeratus</i> *	cutleaf burnweed	disturbed sites; wetlands
	<i>Senecio jacobaea</i> *	tansy ragwort	disturbed sites
	<i>Senecio minimus</i> *	coastal burnweed	disturbed sites; forest
	<i>Senecio vulgaris</i> *	groundsel	disturbed sites
	<i>Silybum marianum</i> *	milk thistle	disturbed sites
	<i>Soliva sessilis</i> *	field burweed	disturbed sites
	<i>Sonchus asper</i> ssp. <i>asper</i> *	prickly sow-thistle	disturbed sites; back beach
	<i>Sonchus oleraceus</i> *	common sow-thistle	disturbed sites
	<i>Symphiyotrichum chilense</i>	California aster	seasonally wet, open sites
	<i>Tanacetum parthenium</i> *	feverfew	disturbed sites
	<i>Taraxacum officinale</i> *	dandelion	disturbed, damp sites
	<i>Tragopogon porrifolius</i> *	salsify	disturbed sites
<b>Berberidaceae - Barberry</b>			
	<i>Achlys californica</i>	vanilla leaf	forest
	<i>Berberis nervosa</i>	Cascades barberry	forest
	<i>Vancouveria hexandra</i>	inside-out flower	forest
	<i>Vancouveria planipetala</i>	redwood-ivy	forest
<b>Betulaceae - Birch</b>			
	<i>Alnus rubra</i>	red alder	wetlands; riparian
	<i>Corylus cornuta</i> var. <i>californica</i>	California hazelnut	scrub; forest
<b>Boraginaceae - Borage</b>			
	<i>Cynoglossum grande</i>	hound's-tongue	forest slopes, flats
	<i>Hydrophyllum tenuipes</i>	waterleaf	moist, shady flats; riparian
	<i>Myosotis latifolia</i> *	forget-me-not	wetlands; forest
	<i>Plagiobothrys bracteatus</i>	bracted popcorn flower	wet, open places in forest
	<i>Plagiobothrys reticulatus</i> var. <i>reticulatus</i>	popcorn flower	drying mud, seeps

<b>Brassicaceae</b> (aka Cruciferae) - Mustard		
<i>Barbarea vulgaris</i> *	common winter cress	moist scrub
<i>Brassica nigra</i> *	black mustard	disturbed sites
<i>Cakile maritima</i> *	sea rocket	coastal strand
<i>Cardamine californica</i>	milk maids	widespread
<i>Cardamine oligosperma</i>	bitter cress	scrub; disturbed sites
<i>Hirschfeldia incana</i> *	short-pod mustard	scrub; disturbed sites
<i>Nasturtium officinale</i>	water cress	wetlands
<i>Raphanus sativus</i> *	wild radish	disturbed sites; back beach; grassland
<b>Campanulaceae</b> - Bellflower		
<i>Asyneuma prenanthoides</i>	harebell	moist slopes
<b>1B.2</b> <i>Campanula californica</i>	swamp harebell	seeps
<b>Caprifoliaceae</b> - Honeysuckle		
<i>Lonicera hispidula</i>	twining honeysuckle	scrub
<i>Lonicera involucrata</i>	twinberry	scrub
<b>Caryophyllaceae</b> - Pink		
<i>Cerastium glomeratum</i> *	mouse-eared chickweed	disturbed sites; grassland
<i>Cerastium fontanum</i> ssp. <i>vulgare</i> *	mouse-eared chickweed	moist, disturbed places
<i>Lychnis coronaria</i> *	rose campion	disturbed site
<i>Silene laciniata</i> ssp. <i>californica</i>	California pink	rocky slopes
<i>Silene gallica</i> *	windmill pink	disturbed sites
<i>Spergula arvensis</i> ssp. <i>arvensis</i> *	starwort	disturbed sites; back beach
<i>Spergularia macrotheca</i> var. <i>macrotheca</i>		
<i>Spergularia marina</i>	sand-spurrey	
<i>Spergularia rubra</i> *	sand-spurrey	disturbed, compacted soil
<i>Stellaria borealis</i> ssp. <i>sitchiana</i>	marsh chickweed	wet soil
<i>Stellaria crispa</i>	chickweed	shaded forest
<i>Stellaria media</i> *	common chickweed	disturbed sites
<i>Stellaria pallida</i> *	chickweed	disturbed sites
<b>Celastraceae</b> - Staff-tree		
<i>Euonymus occidentalis</i>	burning bush	riparian
<b>Chenopodiaceae</b> - Goosefoot		
<i>Atriplex prostrata</i> ( <i>Atriplex triangularis</i> )	Spearscale, fat hen	estuarine marsh
<i>Chenopodium album</i> *	pigweed	disturbed sites
<i>Dysphania ambrosioides</i> *	Mexican tea; epazote	sand bars in river
<i>Dysphania pumilio</i> *	pigweed	sand bars in river
<i>Salicornia pacifica</i>	Pacific pickleweed	salt or brackish marsh
<b>Convolvulaceae</b> - Morning-glory		
<i>Calystegia purpurata</i> ssp. <i>purpurata</i>	morning-glory	scrub
<i>Convolvulus arvensis</i> *	field bindweed	disturbed site (ranch)
<i>Cuscuta salina</i> var. <i>major</i>	salt marsh dodder; goldenthread	
<b>Crassulaceae</b> - Stonecrop		
<i>Crassula tillaea</i> *	pygmy stonecrop	disturbed sites; gravel
<i>Dudleya farinosa</i>	live-forever	rocky slopes
<i>Sedum spathulifolium</i>	stonecrop	rocky slopes
<b>Cucurbitaceae</b> - Gourd		
<i>Marah oregana</i>	wild cucumber; manroot	scrub
<b>Datiscaceae</b> - Datisca		
<i>Datiscia glomerata</i>	Durango root	open riparian sites
<b>Ericaceae</b> - Heath		
<i>Arbutus menziesii</i>	Pacific madrone	forest
<i>Arctostaphylos columbiana</i>	hairy manzanita	forest openings
<i>Arctostaphylos nummularia</i>	shinyleaf manzanita	closed-cone pine forest
<i>Arctostaphylos</i> (sp. undetermined)	manzanita	closed-cone pine forest
<i>Chimaphila umbellata</i>	prince's pine	coniferous forest

<i>Gaultheria shallon</i>	salal	scrub; forest
<i>Rhododendron columbianum</i>	Labrador tea	bogs
<i>Rhododendron macrophyllum</i>	California rose-bay	forest
<i>Rhododendron occidentale</i>	California azalea	riparian
<i>Vaccinium ovatum</i>	blue (black) huckleberry	forest
<i>Vaccinium parvifolium</i>	red huckleberry	forest; riparian
<b>Euphorbiaceae - Spurge</b>		
<i>Euphorbia crenulata</i>	Chinese caps	dry, open sites
<i>Euphorbia lathyris*</i>	caper spurge; gopher plant	disturbed sites
<i>Euphorbia peplus*</i>	petty spurge	disturbed sites
<b>Fabaceae (aka Leguminosae) - Legume</b>		
<i>Acacia dealbata*</i>	gray wattle	disturbed site (homestead); roadside
<i>Acacia melanoxylon*</i>	blackwood acacia	disturbed sites
<i>Acmispon americanus</i>	Spanish-clover	disturbed sites
<i>Acmispon brachycarpus</i>	colchita	rocky slopes; scree
<i>Acmispon parviflorus</i>	miniature lotus	disturbed sites; slopes
<i>Cytisus scoparius*</i>	Scotch broom	scrub; disturbed sites
<i>Genista monspessulana*</i>	French broom	scrub; disturbed sites
<i>Hosackia aboriginus</i>	rose-flowered lotus	closed-cone pine forest
<i>Lathyrus hirsutus*</i>	Caley pea	estuarine marsh
<i>Lathyrus latifolius*</i>	perennial pea	disturbed sites
<i>Lathyrus littoralis</i>	silky beach pea	coastal strand
<i>Lathyrus tingitanus*</i>	Tangier pea	disturbed sites
<i>Lathyrus vestitus</i> var. <i>vestitus</i>	hillside pea	slopes
<i>Lotus corniculatus*</i>	bird's-foot trefoil	disturbed sites; back beach
<i>Lupinus arboreus*</i>	yellow bush lupine	disturbed sites; back beach
<i>Lupinus littoralis</i>	bluff lupine	coastal strand
<i>Medicago polymorpha*</i>	California burclover	disturbed sites; grassland
<i>Melilotus albus*</i>	white sweetclover	disturbed sites
<i>Melilotus indicus*</i>	yellow sweetclover	disturbed sites
<i>Trifolium angustifolium*</i>	narrow-leaved clover	roadsides, disturbed sites
<i>Trifolium campestre*</i>	shamrock clover	disturbed sites
<i>Trifolium dubium*</i>	hop clover	disturbed sites; grassland
<i>Trifolium glomeratum*</i>	clustered clover	disturbed sites
<i>Trifolium incarnatum*</i>	crimson clover	disturbed sites (quarry)
<i>Trifolium microcephalum</i>	small-headed clover	disturbed sites
<i>Trifolium oliganthum</i>	few-flowered clover	moist, disturbed sites
<i>Trifolium repens*</i>	white clover	disturbed moist sites
<i>Trifolium subterraneum*</i>	subterranean clover	disturbed sites; grassland
<i>Trifolium variegatum</i>	variegated (white-tip) clover	disturbed sites
<i>Trifolium willdenovii</i>	tomcat clover	disturbed sites; grassland
<i>Trifolium wormskioldii</i>	cow clover	estuarine marsh
<i>Ulex europaea*</i>	gorse	disturbed sites
<i>Vicia gigantea</i>	giant vetch	moist slopes near coast
<i>Vicia hirsuta*</i>	hairy-fruited vetch	disturbed sites
<i>Vicia sativa</i> ssp. <i>nigra*</i>	winter vetch	disturbed sites; grassland
<i>Vicia sativa</i> ssp. <i>sativa*</i>	spring vetch	disturbed sites; grassland
<i>Vicia tetrasperma*</i>	4-seeded vetch	disturbed sites in forest
<b>Fagaceae - Beech</b>		
<i>Chrysolepis chrysophylla</i>	giant chinquapin	forest
<i>Notholithocarpus densiflorus</i>	tanoak	forest
<b>Frankeniaceae - Frankenia</b>		
<i>Frankenia salina</i>	alkali heath	salt marsh
<b>Garryaceae - Silktassel</b>		
<i>Garrya fremontii</i>	coast silktassel	scrub

<b>Gentianaceae</b> - Gentian			
<i>Zeltnera muehlenbergii</i>	centaury		disturbed sites
<b>Geraniaceae</b> - Geranium			
<i>Erodium cicutarium</i> *	filaree		disturbed sites; back beach
<i>Erodium moschatum</i> *	stork's-bill		disturbed sites
<i>Geranium carolinianum</i>	geranium		moist places
<i>Geranium core-core</i> *	retrograde geranium		disturbed sites
<i>Geranium dissectum</i> *	geranium		disturbed sites
<i>Geranium molle</i> *	soft-leaved geranium		disturbed sites
<i>Geranium robertianum</i> *	geranium Robert		disturbed sites
<b>Grossulariaceae</b> - Currant			
<i>Ribes bracteosum</i>	stink currant		shaded, moist forest
<i>Ribes menziesii</i>	Menzies's gooseberry		forest
<i>Ribes sanguineum</i> var. <i>glutinosum</i>	pink-flowering currant		scrub
<b>Haloragaceae</b> - Water-milfoil			
<i>Myriophyllum aquaticum</i> *	parrot's feather		ponds
<b>Hydrangeaceae</b> - Hydrangea			
<i>Philadelphus lewisii</i> *	wild mock orange		disturbed site (homestead)
<i>Whipplea modesta</i>	modesty; yerba de selva		forest; slopes
<b>Hydrophyllaceae</b> - Waterleaf			
<i>Nemophila heterophylla</i>	hillside nemophila		rocky, shady slopes
<i>Nemophila parviflora</i> var. <i>austinae</i>	small-flowered nemophila		shaded, rocky slopes
<i>Phacelia bolanderi</i>	Bolander phacelia		shaded, rocky slopes
<i>Romanzoffia californica</i>	romanzoffia		moist, rocky slopes
<b>Juglandaceae</b> - Walnut			
<i>Juglans hindsii</i> *	northern California black walnut		disturbed site
<b>Lamiaceae</b> - Mint			
<i>Clinopodium douglasii</i>	yerba buena		woodland, slopes
<i>Glechoma hederacea</i> *	ground-ivy		moist, shaded forest
<i>Melissa officinalis</i> *	bee balm; lemon balm		moist, shaded forest
<i>Mentha arvensis</i>	mint		BR laguna
<i>Mentha pulegium</i> *	pennyroyal		wetlands
<i>Mentha spicata</i> var. <i>spicata</i> *	spearmint		moist, shaded forest
<i>Monardella villosa</i>	coyote mint		rocky, open slopes
<i>Prunella vulgaris</i> var. <i>lanceolata</i>	self-heal		wet places
<i>Stachys chamissonis</i>	bog hedge-nettle		wetlands; riparian
<i>Stachys rigida</i> var. <i>quercetorum</i>	hedge-nettle		grassland; scrub
<b>Linaceae</b> - Flax			
<i>Linum bienne</i> *	flax		
<i>Linum usitatissimum</i> *	common flax		grassland; disturbed sites
<b>Lythraceae</b> - Loosestrife			
<i>Lythrum hyssopifolia</i> *	hyssop-leaved loosestrife		wetlands; disturbed, moist sites
<b>Malvaceae</b> - Mallow			
<i>Malva arborea</i> *	Tree mallow		disturbed sites
<i>Malva neglecta</i> *	bull mallow		disturbed sites
<i>Modiola caroliniana</i> *	modiola		disturbed sites
<b>Montiaceae</b> - Montia			
<i>Calandrinia menziesii</i>	red maids		disturbed sites
<i>Claytonia perfoliata</i>	miner's lettuce		grassland; disturbed sites
<i>Claytonia sibirica</i>	candy flower		moist sites
<i>Montia fontana</i>	water-chickweed		moist sites
<i>Montia parvifolia</i>	little miner's lettuce		moist, rocky slopes
<b>Moraceae</b> - Mulberry			
<i>Ficus carica</i> *	edible fig		riparian area

<b>Myricaceae</b> - Wax-myrtle	<i>Morella californica</i>	Pacific wax-myrtle	scrub
<b>Myrsinaceae</b> - Myrsine			
	<i>Lysimachia arvensis*</i>	scarlet pimpernel	disturbed sites; grassland
	<i>Lysimachia latifolia</i>	starflower	forest
<b>Myrtaceae</b> - Myrtle			
	<i>Eucalyptus globulus*</i>	Tasmanian bluegum	disturbed sites (homestead ranch)
<b>Nyctaginaceae</b> - Four-o'Clock			
	<i>Abronia latifolia</i>	yellow sand-verbena	back beach; coastal strand
<b>1B.1</b>	<i>Abronia umbellata</i> ssp. <i>breviflora</i>	pink sand-verbena	coastal strand
<b>Oleaceae</b> - Olive			
	<i>Fraxinus latifolia</i>	Oregon ash	marshes; riparian
<b>Onagraceae</b> - Evening-primrose			
	<i>Camissoniopsis cheiranthifolia</i>	beach evening primrose	back beach
	<i>Clarkia amoena</i>	farewell-to-spring	grassland & scrub slopes
	<i>Clarkia concinna</i>	red ribbons	rocky slopes
	<i>Epilobium brachycarpum</i>	willow-herb	disturbed sites
	<i>Epilobium ciliatum</i> ssp. <i>glandulosum</i>	willow-herb	wetlands
	<i>Epilobium minutum</i>	willow-herb	roadside ditches
	<i>Fuchsia</i> sp.*	ornamental fuchsia	wetlands; moist scrub
	<i>Oenothera elata</i> ssp. <i>hookeri</i>	Hooker's evening primrose	disturbed sites; back beach
<b>Orobanchaceae</b> - Broom-rape			
<b>1B.2</b>	<i>Castilleja ambigua</i> var. <i>humboldtiensis</i>	Humboldt Bay owl's-clover	salt marsh
	<i>Castilleja wightii</i>	Wight paintbrush	scrub
	<i>Parentucellia viscosa</i> *	parentucellia	disturbed sites; roadsides
	<i>Triphysaria pusilla</i>	dwarf owl's-clover	compacted soils
<b>Oxalidaceae</b> - Oxalis			
	<i>Oxalis corniculata</i> *	sorrel	disturbed sites; slopes
	<i>Oxalis oregana</i>	redwood sorrel	forest
	<i>Oxalis pes-caprae</i> *	Bermuda-buttercup	disturbed sites; back beach
	<i>Oxalis pilosa</i>	hairy wood sorrel	
<b>Papaveraceae</b> - Poppy			
	<i>Dicentra formosa</i>	bleeding heart	shady, moist slopes
	<i>Eschscholzia californica</i>	California poppy	open slopes; grassland
<b>Phrymaceae</b> - Lopseed			
	<i>Diplacus aurantiacus</i>	sticky monkeyflower	scrub
	<i>Erythranthe guttata</i>	common monkeyflower	seeps; ditches
	<i>Erythranthe moschata</i>	musk monkeyflower	seeps; ditches
<b>Plantaginaceae</b> - Plantain			
	<i>Callitricha</i> sp.	water-starwort	wet, disturbed sites
	<i>Digitalis purpurea</i> *	foxglove	wetlands
	<i>Hippuris vulgaris</i>	mare's-tail	laguna
	<i>Plantago coronopus</i> *	plantain	disturbed sites
	<i>Plantago lanceolata</i> *	English plantain	disturbed sites; grassland
	<i>Plantago maritima</i>	coast plantain	salt marsh
	<i>Plantago major</i> *	common plantain	on haul road in dense moist forest
	<i>Plantago subnuda</i>	plantain	wetlands
	<i>Synthyris reniformis</i>	snow queen	damp forest
	<i>Veronica americana</i>	American brooklime	
	<i>Veronica</i> sp.		
<b>Polemoniaceae</b> - Phlox			
	<i>Collomia heterophylla</i>	collomia	disturbed sites
	<i>Gilia capitata</i>	gilia	rocky slopes
<b>4.2</b>	<i>Leptosiphon acicularis</i>	bristly leptosiphon	disturbed sites
	<i>Navarretia squarrosa</i>	skunkweed	disturbed sites

<b>Polygalaceae</b> - Milkwort	<i>Polygala californica</i>	California milkwort	forest openings
<b>Polygonaceae</b> - Knotweed			
	<i>Eriogonum latifolium</i>	coast buckwheat	scrub; rocky slopes
	<i>Eriogonum nudum</i>	naked-stemmed buckwheat	
	<i>Persicaria punctata</i>	water smartweed	marshes
	<i>Polygonum aviculare</i> ssp. <i>depressum</i> *	common knotweed	disturbed sites
	<i>Polygonum paronychia</i>	dune knotweed	back beach
	<i>Pterostegia drymarioides</i>	botanist's friend	rocky slopes
	<i>Rumex acetosella</i> *	sheep sorrel	disturbed sites; grassland
	<i>Rumex conglomeratus</i> *	clustered dock	disturbed sites
	<i>Rumex crispus</i> *	curly dock	moist, disturbed sites
	<i>Rumex obtusifolius</i> *	bitter dock	moist sites
	<i>Rumex crassus</i>	fleshy willow dock	marshes
	<i>Rumex transitorius</i>	Pacific willow dock	moist, shaded, disturbed sites
<b>Ranunculaceae</b> - Buttercup			
4.2	<i>Actaea rubra</i>	baneberry	moist sites in forest
	<i>Anemone</i> sp.*	anemone (cultivated)	grassy disturbed site
	<i>Aquilegia formosa</i>	western columbine	rocky, shady slopes
	<i>Coptis laciniata</i>	goldthread	rocky, moist slopes
	<i>Delphinium nudicaule</i>	scarlet larkspur	rocky, shady slopes
	<i>Ranunculus californicus</i>	California buttercup	moist sites
	<i>Ranunculus hebecarpus</i>	buttercup	disturbed, moist sites
	<i>Ranunculus muricatus</i> *	stickseed buttercup	disturbed, moist sites
	<i>Ranunculus parviflorus</i> *	small-flowered buttercup	disturbed, moist sites
	<i>Ranunculus repens</i> *	creeping buttercup	disturbed, moist sites
	<i>Ranunculus uncinatus</i>	barbed buttercup	disturbed, moist sites
<b>Rhamnaceae</b> - Buckthorn Family (3 taxa)			
	<i>Ceanothus thyrsiflorus</i>	blueblossom	scrub; forest
	<i>Frangula californica</i> ssp. <i>californica</i>	California coffeeberry	forest openings
	<i>Frangula purshiana</i> ssp. <i>purshiana</i>	cascara sagrada	scrub; riparian
<b>Rosaceae</b> - Rose			
	<i>Aphanes occidentalis</i>	lady's-mantle	grassland; back beach
	<i>Comarum palustre</i>	marsh cinquefoil	laguna
	<i>Cotoneaster franchetii</i> *	Franchet's cotoneaster	disturbed sites; roadsides
	<i>Cotoneaster lacteus</i> *	Parney cotoneaster	forest
	<i>Cotoneaster pannosus</i> *	felt-leaf cotoneaster	roadside; disturbed sites
	<i>Drymocallis glandulosa</i> ssp. <i>glandulosa</i>	sticky cinquefoil	open slopes
	<i>Fragaria chiloensis</i>	beach strawberry	hind-beach
	<i>Fragaria vesca</i>	wood strawberry	scrub
	<i>Holodiscus discolor</i>	ocean spray	woodland slopes
	<i>Horkelia californica</i>	horkelia	forest clearings; scrub
	<i>Malus sylvestris</i> *	cultivated apple	disturbed sites (homesteads)
	<i>Oemleria cerasiformis</i>	oso berry	moist scrub
	<i>Potentilla anserina</i> ssp. <i>pacifica</i>	Pacific silverweed	wetlands
	<i>Prunus</i> sp.*	cultivated plums, cherries	disturbed site (homestead)
	<i>Pyracantha angustifolia</i> *	firethorn	disturbed site (homestead)
	<i>Rosa gymnocarpa</i>	wood rose	forest
	<i>Rosa rubiginosa</i> *	sweet-brier	
	<i>Rubus armeniacus</i> *	Armenian blackberry	disturbed sites; wetlands
	<i>Rubus leucodermis</i>	blackcap raspberry	forest clearings
	<i>Rubus parviflorus</i>	thimbleberry	scrub
	<i>Rubus spectabilis</i>	salmonberry	wetlands
	<i>Rubus ursinus</i>	California blackberry	scrub
<b>Rubiaceae</b> - Madder			
	<i>Galium aparine</i>	goosegrass; bedstraw	disturbed sites; scrub

<i>Galium californicum</i>	California bedstraw	scrub; woodland
<i>Galium divaricatum*</i>	Lamarck bedstraw	disturbed sites; trailsides
<i>Galium parisiense*</i>	wall bedstraw	
<i>Galium porrigens</i>	climbing bedstraw	scrub
<i>Galium trifidum</i>	trifid bedstraw	estuarine marsh
<i>Galium triflorum</i>	sweet-scented bedstraw	forest
<i>Sherardia arvensis</i>	field madder	roadside
<b>Salicaceae - Willow</b>		
<i>Salix exigua</i>	sandbar willow	riparian - open banks, flats, gravel bars
<i>Salix hookeriana</i>	coastal willow	riparian; wetlands
<i>Salix lasiolepis</i>	arroyo willow	riparian; wetlands
<i>Salix lucida</i> ssp. <i>lasiandra</i>	shining willow	wetlands
<i>Salix scouleriana</i>	Scouler willow	moist woodland, forest
<i>Salix sitchensis</i>	Sitka willow	riparian; wetlands
<b>Saxifragaceae - Saxifrage</b>		
<i>Boykinia occidentalis</i>	western boykinia	shaded moist forest
<i>Heuchera micrantha</i>	alumroot	moist, rocky slopes
<i>Heuchera pilosissima</i>	alumroot	moist, rocky slopes
<i>Mitellastra caulescens</i>	leafy mitella	moist slopes and flats
<i>Pectiantia ovalis</i>	bishop's cap	moist, shady slopes
<i>Saxifraga mertensiana</i>	Mertens saxifrage	rocky, moist slopes
<i>Tellima grandiflora</i>	fringe cups	moist, shady slopes
<i>Tiarella trifoliata</i> var. <i>unifoliata</i>	sugar-scoop	moist forest slopes
<i>Tolmiea diplomenziesii</i>	pig-a-back plant	moist banks
<b>Scrophulariaceae - Figwort</b>		
<i>Myoporum laetum*</i>	Ngaoi tree	disturbed sites
<i>Scrophularia californica</i>	bee plant; figwort	scrub; wetlands
<b>Solanaceae - Nightshade</b>		
<i>Solanum americanum</i>	American nightshade	forest openings
<i>Solanum douglasii</i>	Douglas nightshade	forest openings
<i>Solanum furcatum*</i>	forked nightshade	disturbed sites
<i>Solanum xanti</i>	chaparral nightshade	forest openings
<b>Tamaricaceae - Tamarisk</b>		
<i>Tamarix</i> sp.*	tamarisk	wetlands
<b>Trapaeolaceae - Nasturtium</b>		
<i>Trapaeolum majus*</i>	garden nasturtium	disturbed site
<b>Urticaceae - Nettle</b>		
<i>Urtica dioica</i>	stinging nettle	wetlands
<b>Valerianaceae - Valerian</b>		
<i>Plectritis congesta</i> ssp. <i>brachystemon</i>	small longspur	shaded, moist trailsides
<b>Violaceae - Violet</b>		
<i>Viola glabella</i>	stream violet	moist forest near river
<i>Viola sempervirens</i>	redwood violet	forest
<b>MONOCOTS</b>		
<b>Agavaceae - Agave</b>		
<i>Chlorogalum pomeridianum</i> var. <i>p.</i>	soap plant	rocky slopes
<b>Alismataceae - Water-plantain</b>		
<i>Alisma triviale</i>	water-plantain	freshwater wetlands
<b>Amaryllidaceae - Amaryllis Family (1 taxon)</b>		
<i>Narcissus pseudonarcissus*</i>	daffodil	disturbed site (homestead)
<b>Araceae - Arum</b>		
<i>Arum</i> sp.*	jack-in-the-pulpit	disturbed sites
<i>Lemna minor</i>	duckweed	in standing water
<i>Lysichiton americanum</i>	yellow skunk cabbage	wetlands
<i>Zantedeschia aethiopica*</i>	calla	wetlands; riparian

<b>Asparagaceae - Asparagus</b>			
	<i>Hyacinthus orientalis*</i>	hyacinth	disturbed site (homestead)
	<i>Muscari armeniacum*</i>	grape-hyacinth	disturbed site (homestead)
<b>Asphodelaceae - Asphodel</b>			
	<i>Kniphofia uvaria*</i>	red-hot poker	disturbed sites
<b>Cyperaceae - Sedge</b>			
2B.3	<i>Bolboschoenus maritimus</i> ssp. <i>paludosus</i>	salt marsh bulrush	brackish wetlands
	<i>Bolboschoenus robustus</i>	seacoast bulrush	brackish wetlands
	<i>Carex bolanderi</i>	Bolander sedge	moist ditches
	<i>Carex californica</i>	California sedge	"pygmy forest"
	<i>Carex cusickii</i>	Cusick sedge	laguna
	<i>Carex globosa</i>	round-fruited sedge	damp, rocky sites
	<i>Carex gynodinama</i>	wonder-woman sedge	marshes
	<i>Carex harfordii</i>	Harford sedge	marshes
	<i>Carex hendersonii</i>	Henderson sedge	redwood forest
	<i>Carex leptopoda</i>	slender-foot sedge	moist woodland, forest
2B.2	<i>Carex lyngbyei</i>	Lyngbye sedge	salt marsh
	<i>Carex mendocinensis</i>	Mendocino sedge	mesic openings in forest
	<i>Carex nudata</i>	torrent sedge	in streams
	<i>Carex obnupta</i>	slough sedge	wetlands
	<i>Carex subbracteata</i>	short-bracted sedge	
	<i>Carex tumulicola</i>	foothill sedge	dry, disturbed sites
	<i>Cyperus eragrostis</i>	love-grass nut-sedge	disturbed sites; wetlands
	<i>Eleocharis macrostachya</i>	long-stem spike-rush	edge of river
	<i>Eleocharis pachycarpa*</i>	black-sand spike-rush	laguna
	<i>Isolepis cernua</i>	low lateral-bulrush	wetlands
<i>Schoenoplectus acutus</i> var. <i>occidentalis</i>			
	<i>Schoenoplectus americanus</i>	common tule	wetlands
	<i>Scirpus microcarpus</i>	Olney three-square bulrush	wetlands
		small-fruited bulrush	wetlands
<b>Iridaceae - Iris</b>			
	<i>Crocosmia Xcrocosmiflora*</i>	montbretia	disturbed sites
	<i>Iris douglasiana</i>	Douglas iris	grassland; forest
	<i>Sisyrinchium bellum</i>	blue-eyed grass	rocky slopes
<b>Juncaceae - Rush</b>			
	<i>Juncus articulatus</i>	jointed rush	
	<i>Juncus balticus</i> ssp. <i>ater</i>	Baltic rush	
	<i>Juncus bolanderi</i>	Bolander rush	
	<i>Juncus breweri</i>	Brewer rush	estuarine marsh
	<i>Juncus bufonius</i>	toad rush	disturbed, moist sites
	<i>Juncus effusus</i> ssp. <i>pacificus</i>	Pacific rush	wetlands
	<i>Juncus patens</i>	spreading rush	moist grassland
	<i>Juncus xiphiooides</i>	iris-leaved rush	shaded forest
	<i>Luzula comosa</i>	hairy wood rush	rocky slopes
	<i>Luzula parviflora</i>	small-flowered wood rush	moist roadside
<b>Juncaginaceae - Arrow-grass</b>			
	<i>Triglochin maritima</i>	seaside arrow-grass	estuarine marsh; riparian
<b>Liliaceae - Lily Family (16 taxa)</b>			
	<i>Clintonia andrewsiana</i>	clintonia; blue-bead lily	forest
	<i>Lilium pardalinum</i> ssp. <i>pardalinum</i>	leopard lily	shady riparian forest
	<i>Prosartes hookeri</i>	Hooker fairy bells	shaded forest
	<i>Prosartes smithii</i>	Smith fairy bells	shaded forest
	<i>Scoliopus bigelovii</i>	fetid adder's-tongue	forest
<b>Melanthiaceae – False Hellebore</b>			
4.3	<i>Trillium ovatum</i> var. <i>ovatum</i>	wake robin	forest
	<i>Veratrum fimbriatum</i>	corn lily	moist forest
	<i>Xerophyllum tenax</i>	bear-grass	moist forest

<b>Orchidaceae - Orchid</b>			
<i>Calypso bulbosa</i>	calypso orchid	forest	
<i>Epipactis gigantea</i>	stream orchid	riparian, marsh	
<i>Listera convallarioides</i>	broad-leaved twayblade	forest	
<i>Goodyera oblongifolia</i>	rattlesnake plantain	forest	
<i>Spiranthes porrifolia</i>	western ladies'-tresses	open sites	
<b>Poaceae (aka Gramineae) - Grass</b>			
<i>Aira caryophyllea*</i>	silver European hairgrass	disturbed sites; roadside	
<i>Agrostis densiflora</i>	California bent grass	sandy soils in forest	
<i>Agrostis exarata</i>	spike bent grass	forest	
<i>Agrostis gigantea*</i>	red-top bent grass	open areas in forest	
<i>Agrostis hallii</i>	Hall bentgrass	forest	
<i>Agrostis stolonifera*</i>	creeping bent grass	estuarine marsh	
<i>Ammophila arenaria*</i>	European beach grass	back beach	
<i>Anthoxanthum occidentale</i>	California sweet grass	forest	
<i>Anthoxanthum odoratum*</i>	sweet vernal grass	grassland	
<i>Avena barbata*</i>	slender wild oat	disturbed sites	
<i>Briza maxima*</i>	rattlesnake grass	disturbed sites	
<i>Briza minor*</i>	little quaking grass	disturbed sites	
<i>Bromus carinatus</i> var. <i>carinatus</i>	California brome	grassland	
<i>Bromus diandrus*</i>	ripgut brome	disturbed sites; back beach	
<i>Bromus hordeaceus*</i>	soft chess	disturbed sites	
<i>Bromus laevipes</i>	woodland brome	forest; disturbed sites	
<i>Bromus pacificus</i> 2	Pacific brome	roads in forest	
<i>Bromus vulgaris</i>	Columbia brome	roadsides	
4.2	<i>Calamagrostis bolanderi</i>	Bolander reed grass	wet places in forest
	<i>Calamagrostis koelerioides</i>	fire reed grass	forest
	<i>Cortaderia jubata*</i>	jubatagrass	disturbed sites; scrub
	<i>Cynodon dactylon*</i>	Bermuda grass	disturbed sites - flood plain
	<i>Cynosurus echinatus*</i>	dogtail grass	disturbed sites
	<i>Dactylis glomerata*</i>	orchard grass	disturbed sites
	<i>Danthonia californica</i>	California oatgrass	back beach
	<i>Deschampsia cespitosa</i>	California hair grass	estuarine marsh
	<i>Deschampsia elongata</i>	slender hair grass	woodland trails
	<i>Distichlis spicata</i>	saltgrass	riparian (along estuary)
	<i>Echinochloa crus-galli*</i>	barnyard grass	disturbed, moist sites
	<i>Elymus glaucus</i> <i>iglaucus</i>	blue wildrye	grassland; woodland
	<i>Elymus mollis</i>	dune wildrye	back beach
	<i>Festuca arundinacea*</i>	tall fescue	disturbed sites
	<i>Festuca idahoensis</i>	Idaho fescue	dry slopes in forest
	<i>Festuca bromoides*</i>	six-weeks fescue	disturbed sites
	<i>Festuca myuros*</i>	rat-tail fescue	disturbed sites
	<i>Festuca perennis*</i>	Italian or perennial ryegrass	disturbed sites
	<i>Festuca subulata</i>	bearded fescue	rocky, open slopes
	<i>Glyceria borealis</i>	boreal manna grass	moist forest roadside
	<i>Glyceria elata</i>	fowl manna grass	moist forest
	<i>Holcus lanatus*</i>	purple velvet grass	back beach
	<i>Hordeum brachyantherum</i>	meadow barley	riparian
	<i>Hordeum murinum</i> ssp. <i>leporinum*</i>	hare barley	disturbed sites
	<i>Hordeum vulgare*</i>	cereal barley	disturbed sites (quarry)
	<i>Lagurus ovatus*</i>	hare's tail	disturbed sites
	<i>Melica californica</i>	California melic	rocky slopes
	<i>Melica geyeri</i>	Geyer melic; oniongrass	forest
	<i>Melica harfordii</i>	Harford melic	dry slopes in forest
	<i>Melica subulata</i>	Alaska oniongrass	shaded, rocky slopes
	<i>Melica torreyana</i>	Torrey melic	slopes

<i>Muhlenbergia mexicana</i>	Mexican muhly	open riparian sites
<i>Paspalum dilatatum*</i>	dallis grass	disturbed sites
<i>Pennisetum clandestinum*</i>	kikiyu grass	disturbed sites
<i>Phalaris aquatica*</i>	Harding grass	disturbed, moist sites
<i>Phalaris arundinacea</i>	reed canary grass	
<i>Poa annua*</i>	annual bluegrass	disturbed sites
<i>Poa douglasii</i>	dune blue grass	beach
<i>Poa kelloggii</i>	Kellogg blue grass	forest
<i>Polypogon interruptus*</i>	ditch beard grass	ditches, disturbed wetlands
<i>Polypogon monspeliensis*</i>	annual beard grass	roadside ditches
<i>Rytidosperma penicillatum*</i>	hairy oatgrass	roadsides
<i>Trisetum canescens</i>	tall false-oat	forest
<i>Triticum aestivum*</i>	wheat	disturbed sites
<b>Potamogetonaceae - Pondweed</b>		
<i>Potamogeton nodosus</i>	long-leaved pondweed	aquatic (freshwater)
<b>Ruscaceae - Butcher's-broom</b>		
<i>Maianthemum canadense</i>	broadleaf false Solomon's-seal	moist places
<b>Themidaceae - Brodiaea</b>		
<i>Dichelostemma capitatum</i>	blue dicks	grassy slopes-
<i>Triteleia laxa</i>	Ithuriel's spear	open woodland slopes
<b>Typhaceae - Cat-tail</b>		
<i>Sparganium emersum</i>	bur-reed	laguna
<i>Typha latifolia</i>	broad-leaved cat-tail	wetlands
<b>Zosteraceae - Eel-grass</b>		
<i>Zostera marina</i>	eel-grass	estuary

Å: MAJOR plant groups (caps, green bars); plant families (Latin name, common name); where applicable CA rare plant rank (e.g., 1B.2)
